To Whom It May Concern,

I am writing to recommend Mr. Ádám Perényi in support of his visa application.

Mr. Perényi is a highly respected multi-generational master hairdresser who has inherited his professional talent and dedication from his father, the late Mr. György Perényi, a renowned and widely recognized figure in the Hungarian hairdressing community. Building on a strong family legacy, Mr. Perényi has become a leading professional in his field, known for his expertise, creativity, and unwavering commitment to excellence.

Over the years, Mr. Perényi has played a pivotal role in advancing the hairdressing profession in Hungary. He is particularly recognized for mentoring and inspiring the younger generation of professionals. His contributions include organizing and leading trainings, live demonstrations, and high-profile hair shows that promote continuous innovation and creativity within the industry.

Notably, he has launched several forward-thinking initiatives, including online hairdressing competitions and the creation of the Budapest Salon event—both of which have significantly shaped the Hungarian hairdressing landscape from the early 2000s to the present day.

Mr. Perényi's extensive experience and innovative approach would be of great value to the professional community in Mauritius. His presence and contribution would undoubtedly encourage professional growth, foster international collaboration, and support the exchange of knowledge and skills within the industry.

I fully support Mr. Perényi’s visa application and trust that he will make a meaningful and positive impact during his stay in Mauritius.

Yours faithfully,

2025.05.29.
